Garden and Patio Show at booth # 19

Gift Certificate for landscape service or
landscape design– some conditions apply

Retail Value: \$750.00

MacPhee's Landscaping Services is a full range landscaping business, taking clients from start to finish. We install small manufactured stone walls as well as brick patios. Our specialty is shrub and perennial bed design with reference to renovations of previous landscapes which are now over grown and out dated. We have the knowledge and the tools to do great jobs at very competitive prices.
