

# Judging Criteria

## Place of Business

Landscape Nova Scotia recognizes that we are privileged to have a broad range of businesses among our members. This award recognizes those businesses who promote their ties to the landscape industry through excellence in the creation of a landscape feature and its maintenance. The feature may include landscaped areas on the property, horticultural murals or art work, or other creative and effective links to the green industry.

### **Total – 100 Points**

#### **Entries will be judged on the following:**
